## Alt I

I see you drivin' 'round town with the guy I love,  
and I'm like, forget you.  
I guess the change in my pocket wasn't enough I'm like,  
forget you and forget him too.  
Said if I was richer, I'd still be wit' ya.  
And although there's pain in my chest,  
I still wish you the best with a forget you.

## Sop II

I know you lie, 'cause your lips are movin'.  
Tell me, do you think I'm dumb?  
I might be young, but I ain't stupid,  
talkin' 'round in circles with your tongue.  
I gave you bass; you gave me sweet talk,  
saying how I'm your number one.  
But I know you lie, 'cause your lips are movin'.  
Baby, don't you know, I'm done.

## Sop I + Tenor + Baritone

...and you play it coy, but it's kinda cute.  
Ah, when you smile at me you know exactly what  
you do. Baby don't pretend, that you don't know  
it's true. Cause you can see it when I look at you.  
you. So la la la la la la la. So la la la la la la la.

## Sop II + Alt I + Alt II

Yeah, I'm sorry I can't afford a Ferrari,  
but that don't mean I can't get you there.  
I guess he's an Xbox and I'm more an Atari,  
but the way you play your game ain't fair.

## Sop I + Sop II

I pity the fool that falls in love with you.

## Alt I + Alt II + Tenor + Baritone

Ooh, she's a gold digger.  
Just thought you should know it.

## Sop I + Sop II

Well, Ooh, I've got some news for you.

## Alt II

They tried to make me go to rehab,  
I said, no, no, no.  
Yes, I've been black but when I come back,  
you'll know, know, know.  
They tried to make me go to rehab,  
I said, no, no, no. Yes,

I've been black but when I come back,  
you'll know, know, know.

## Sop I + Sop II + Alt I

Now, baby, baby, baby,  
why you wanna, wanna hurt me so bad?  
I tried to tell my mamma, but she told me,  
"This is one for your dad"  
And I'm like why, why, baby baby?
